Examination in Lieu of Points Policy and Procedures

A CLSO who is unable to achieve the 10 CM points required over the 3-year cycle and wishes to maintain his/her certification may retake the CLSO exam. The following limitations apply:

- (a) The exam must be taken and passed prior to the end of the 3-year cycle, i.e., before the December 31st expiration date.
- (b) Payment for the exam is due prior to retaking the exam; however, the application process and \$50 fee will be waived.
- (c) The individual has not participated on a BLS Review Board or proctored an exam during the 3-year cycle.

The ability to retake the exam in lieu of submitting points for renewal is available only in year three of the individual's CM cycle. If the candidate does not pass the exam, he/she is no longer certified. If the individual wishes to become certified again, he/she must reapply (submit application, application fee, and references), take and pass the exam, i.e., start over as new.

Please see the last page of this application for the required signature and date. Thank you.

ATTESTATION

I attest that the statements made on this application are true and correct to the best of my knowledge, and that during the period covered by this application, I have not been made aware of any charges against me of unethical practice of laser safety, nor have I been convicted of a felony.
