Extension Year Policy and Procedures

The extension year allows CLSO/CMLSOs one (1) additional year to earn CM points. The point maximums for each category will remain the same. Only new points in categories not fulfilled will be applied towards the 10 CM points needed. If a CLSO/CMLSO meets the requirements to maintain their certification, their new cycle will begin January 1st following the extension year. The following limitations apply:

- The request and payment for both the renewal fee and extension year fee must be submitted no later than December 31st of the original 3-year cycle, i.e., the original certification expiration date
- An extension year may only be requested once every other certification cycle
- A CLSO/CMLSO can only renew by CM points in their extension year
- There is no “grace period” allotted to the fourth year.

The CM worksheet and any other supplemental documentation must be completed and submitted by December 31st of the extension year. If there are any questions concerning the CM form, the BLS will contact the CLSO/CMLSO for clarification. The CLSO/CMLSO will not have the usual sixty (60) days to resolve the situation. If the situation is not resolved by December 31st of the extension year, the CLSO/CMLSO will go to *Inactive Status*.
